Aloha Senator Hirono,

My name is Barrett KGK Maioho. I am a Native Hawaiian security researcher in Honolulu. You may recall my name or my family; my grandfather is the late Richard "Dickie" Wong, the former Senate President.

Your office previously assisted me in 2020 during the PUA crisis when I was being railroaded by bureaucracy. I am writing to you now because I am facing a threat far greater than a delayed check.

I am being crushed by Google LLC for reporting federal crimes against children.

THE VIOLATION (18 U.S.C. § 2256):

On June 19, 2025, I documented Google's "Gemini" AI generating content that violates 18 U.S.C. § 2256 (Sexual Exploitation of Children). The forensic logs verify the generation of clinical narratives depicting the sexual torture and murder of infants ("infant no more than two winters old"), young girls, a young boy, and clergy.
I filed NCMEC CyberTipline Report #224141918. To date, the DOJ has taken no action.

THE RETALIATION:

I was terminated from Google's safety program on May 13, 2025—precisely four days after exposing their Fraudulent Dismissals, Conflict of Interest, and refusal to grant Independent Panel Review. They fired me to bury the evidence of their negligence.

EVIDENTIARY CHAIN (IMMUTABLE PUBLIC RECORD):

I have uploaded the proofs to the Internet Archive to ensure the truth survives even if I am silenced.

Senator, your office helped me when the state failed. I am asking you now to help me when the federal government is failing. Please ensure the DOJ reviews NCMEC Report #224141918.

Me ka ha'aha'a,
